

**PROCEDURE FOR  
ANNEXING PROPERTY INTO THE  
TOWN OF NORTH WILKESBORO  
BY PETITION**

1. **PETITION.** Complete the attached petition by completing the date at the top and by filling in, in paragraph 2, a legal description of the property to be annexed. In order for the property to qualify, it must adjoin the present boundary of the Town of North Wilkesboro. Property is considered adjoining the present town boundary if it adjoins the present town boundary or is separated from the present town boundary by a street, street right-of-way, creek, river, or railroad right-of-way. If the property to be annexed is separated from the town boundary by any one of the above, be sure and include a description of the object which separates it from the Town and this object will be annexed in the same way and at the same time as your land. Have the petition signed by all property owners and their spouses regardless of whether or not the spouse's name is on the deed. If the property is owned by a partnership, have all partners sign. If the property is owned by a corporation, insert the name of the corporation, affix the corporate seal and have the appropriate officers of the corporation sign. Turn the petition in to the Town Manager's Office. At the time you file the petition, **enclose check payable to the "Town of North Wilkesboro" in the amount of \$50.00** to cover costs of legal notices and recording fees.

2. **NOTICE.** Insert the names of all petitioning parties at the top of the notice and also insert the description of the property. Do not insert a date at either blank. Turn in the notice to the Town Manager's Office at the same time you turn in the petition. The Town Manager's Office will complete the notice by inserting the date at both places and by signing the notice and taking it to the newspaper for publication. It must be published once at least 10 days prior to the public hearing.

3. **BOARD MEETINGS.** This procedure requires two board meetings: The first will be the meeting immediately following the filing of the petition and the second will be one month later when this petition comes on for public hearing. It is desirable, but not entirely necessary, for you to come to the first meeting. **IT IS REQUIRED THAT YOU ATTEND THE SECOND MEETING WHEN THE PUBLIC HEARING IS HELD. If you fail to attend, no action will be taken.**

4. **MAP.** Have a surveyor prepare a map of the property. This map must show the boundaries of the property to be annexed and the place where it adjoins the present town boundary. Provide the town with **one (1) original Thermo-Fax copy plus ten (10) paper copies** of the map, both the one (1) Thermo-Fax copy and the ten (10) paper copies being 18" x 24" in size. **This map must be available at the second board meeting at the public hearing.** The cost of preparing the maps is the expense of the petitioners.

5. **ORDINANCE AND RECORDING.** If the commissioners approve the annexation, the town attorney will prepare the ordinance annexing the property and the Town Manager will record at the Wilkes County Register of Deeds.
