

Save up to \$95 a year with FREE energy-saving improvements.

As part of our **Neighborhood Energy Saver** program, we will:

- Replace your air filter
- Change your standard light bulbs to new energy-efficient bulbs
- Add weatherstripping, caulking and door sweep
- Install water-saving showerhead(s) and faucet aerators

Please join us to learn more about the **Neighborhood Energy Saver** Program. There will be demonstrations of our **FREE** energy-saving products, a **FREE** meal and a chance to WIN a \$25 gift card.

How the **Neighborhood Energy Saver** program works.

Following this neighborhood event, two of our technicians will visit your home. We will install up to 16 energy-saving products and services to help you save money on your energy bill. These measures could cost up to \$210, but we'll give them to you for free – and install them, too. Don't miss out!
